Achios REYNOLDS'S NEW WORK,—NOW READY—
THE MASSACRE OF GLENCOE.
A Historical Tale, with numerous Illustrations. Complete in one vol.
Price 50 cents.

This is an admirably written story, possessing a most intricate and yet well-arranged plot. It relates to William of Orange's horrible, ruthless mass-ore of a whole clan o gallant Highlanders, whose only crime was their loyally to King James, their lawful and be-loved monarch. Men, women, and children, without distinction, were shot down, or perished by fire, or by exposure to the wosther,

THE POOR MAN'S PRIEND,
IN PAIN AND SICKESS:

A SAFE AND RELIABLE GUIDE.

The Publisher has the pleasure of announcing to the public that Dr. Guin's book has been published Fifteen Years, and that during that time NEARLY HALF A MILLION COPIES of this work have been disposed of.

This book points out in plain language, free from doctors' terror, the diseases of Men, Women and Children, and the latest and n. st. improved means used in their curry; and is intended expressly for the been fit of families. It is no contains descriptions of the MEDICAL ROOTS AND HERBS OF THE UNITED STATES, and how they are to be used in the curry of diseases. It is armaged on a new and simple junt, by which the practice of medicine to reduce to principles of common sense. It does not propose to disposar do and tens of thousands antically by juriting the means of core into every man's hands, and of saving many valuable lives (which is of far more importance) by instructing many valuable lives (which is of far more importance) by instructing many valuable lives (which is of far more importance) by instructing many to the control of the property of the presents of the saving means for we fear quackers and pretensions have been at work for the poor man,' but in this work all our projudices are conquered. Professional means well as others, we see, cheerfully recognized. Professional means well as others, we were cheerfully recognized to ward of or to cure disease." (New York Enquirer.
